MWA Community Service comprises Beads of Courage and the making of wig stands, which will be donated to groups such as Wigs For The Cure

Community Service WIG STAND update

Over 50 wig stands and hats have been delivered! Our partners are Wigs for the Cure in Mora MN and EBeauty Community in metro area.

Ebeauty has partnered with Hennepin Healthcare Comprehensive Cancer Center. (715 S 8th St Mpls.) This facility serves all; no one is turned away.

In October there are plans for Laura, EBeauty Chief Operations Officer to open a wig boutique at this location. This boutique will showcase the free wigs and of course the amazing handcrafted wig stands and hats. With this opening there will be a greater need for stands. Let's help make this boutique a center of happiness.

Pictured are wig stands by Jeff Luedloff and Jay Schultz.

Beads At Home

Jay Schulz has sent out 8 Beads At Home boxes so far this year and we have requests for 6 more boxes that will be going out this next week or so.

This is an 8-month-old fella named Waylon. Waylon's mom was tickled to get a box from Greg Just and said she was sending some pictures of Waylon that we could use for the MWA Newsletter.

Southeast Metro

The September meeting of the Southeast Metro splinter group began with a lunch in downtown Hastings at the Quarry Tap restaurant. Seventeen members and wives attended. Jim Jacobs had arranged a tour, part walking, part driving and then arriving at the home and shop of metal artist Dale Lewis. Dale's artistic and welding talents are out of this world. He started making these sculptures in 2009 because he found himself without a job. He claims not to be artistic, saying that he cannot draw anything.

THE Splinters

THE Splinters' focus is to create opportunities to learn from each other. We can benefit significantly, gaining greater insights, getting inspiration, and feeling encouraged to improve our ideas. Our last inspiration for a project was the healing aspect of art.

The August/September endeavor is an exchange collaborative project. For the August meeting each member will bring the start of a turning to be randomly paired with another member to finish for the September meeting. We look forward to this aspect of a collaboration.

As a group which has a common hobby but also is a group of good friends, we'd like to keep up with our friends and hear about awards, shows, family news (weddings, accomplishments of children and grandchildren), retirements, hospital stays, illnesses, book recommendations, website recommendations and anything else you would normally talk about in person at MWA or Sub-Group meetings. All of these and more are possibilities for the Bulletin Board. As we start seeing all our MWA friends face-to-face monthly, we can still reach the entire membership by the Bulletin Board.

WOOD SEALER HAS BEEN RESTOCKED. WE NOW HAVE IT!

At this time sealer is available at the monthly meetings and from:
Charlie Prokop, Woodbury, MN charlieprokop@gmail.com
Julie Abbott, Eden Prairie, MN, jm_abbott@hotmail.com
Bob Meyer, Lino Lake, MN, rjmbobco@comcast.net
Steve Mages, Minnetonka, smages@juno.com
Paul Laes, Cottage Grove, Woodforfun@hotmail.com

I am looking for others to sell sealer throughout the metro area.

Bring plastic jugs if you have them.

Sealer \$20.00 gallon.

We need heavy duty plastic jugs for dispensing sealer. If you have any gallon containers, we could sure use them. It would be best if you could bring your empty containers to be filled.

The club now has a chip card reader so you can pay Charlie by credit card or cash.

Anyone wanting to sell sealer can buy a quantity from me if you like or take some gallons and sell them to members and send the money to Treasurer John Hehre.

Charlie Prokop, President MWA

Member Help Line

The club has organized a "Member Help Line", the purpose of which is to answer questions/give advice and help educate our membership. Even though it has been more difficult during the pandemic social distancing time to help people in home workshops, there are still ways to help each other with woodturning questions & problems. The volunteers can help via email, telephone, Zoom, personal contact using social distancing and masks if desired, and probably other ways we haven't tried yet.

Maybe you're a beginner looking for advice on what to buy.

Maybe you have questions on chucking.

Maybe you have sharpening questions.

The volunteers listed on the next page are more than happy to help. Some have listed areas in which they feel more comfortable, but all will help with your woodturning question.

We would like more members to volunteer for our Member Help Line. If you would like to be "on call" please contact Mike Rohrer at mdrprof@gmail.com with your phone #, email address, area where you live, areas you'd be willing to help with, and your name will be added to the list.

Editor's Notes

Even in this season of “vacations”, our members are creating very interesting and beautiful pieces.

I look forward to seeing LOTS of people at our October meeting.

Set a goal of MEETING ONE NEW PERSON at the October 5 meeting. If you see someone you don't know, walk up and introduce yourself! You know they have A LOT OF THE SAME INTERESTS as you do. Find out about them and let them know a few things about you.
